

BOYS & GIRLS CLUBS
OF ANNAPOLIS &
ANNE ARUNDEL COUNTY

2025 Impact Report

Who We Serve

Every year, the Boys & Girls Clubs of Annapolis & Anne Arundel County (BGCAA) empowers over 3,500 young people to reach their full potential through life-changing programs, safe spaces, and meaningful community outreach.

Our Clubs Matter

Our Clubs matter because they give kids a safe, supportive place to go when school is out and families need trusted care. BGCAA provides safe, inclusive environments, meaningful programs and experiences, and supportive relationships that give youth the foundation they need to feel a sense of belonging and safety. What makes us unique is that we survey our Club members annually, using their feedback to ensure that youth received an optimal Club experience. Our clubs nurture confidence and character while ensuring every child feels they belong. BGCAA helps children thrive, which strengthens our communities.

National Youth Outcomes Initiative Data: Our Members Say...

89%
say they feel
safe at the
Club

98% feel that
adults at the Club
encourage them
when they make
positive choices

89% say they
can talk to an
adult at this
Club if they
have a problem

83% say
“there are
fun programs
at this Club”

Programs Making an Impact

Health & Well-Being

BGCAA's Health & Well-Being programs instill positive values and responsible behaviors, allowing members to practice making healthy decisions related to their physical, cognitive, emotional and social development.

All-Stars Soccer • Be A Star • Healthy Habits Passport to Manhood • SMART Girls • SMART Moves • Triple Play

Character & Leadership

BGCAA's Character & Leadership programs encourage our members to become responsible, caring citizens and acquire the skills to participate in the democratic process. They also provide leadership opportunities that empower them to contribute to their Club and community.

**Badges for Baseball • Torch Club
Youth for Unity • Youth of the Year Suite**

Academic Success

BGCAA's Academic Success programs provide members with the tools they need to become self-directed learners. These programs bridge knowledge and skills gaps by integrating fun, educational activities which help them be successful academically.

Digital Literacy Essentials • My.Future Power Hour • Rooted in Reading • STEM Summer Brain Gain • Ultimate Journey

Life & Workforce Readiness

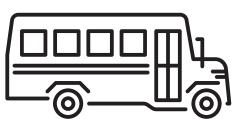

BGCAA's Life & Workforce Readiness programs help youth and teens explore passions, build employability skills, and gain real-world work experience. Through partnerships and our paid Jr. Staff program, BGCAA offers employment opportunities while preparing members for college, trade school, military service, or other career paths.

Career Launch • Jr. Staff Program • Money Matters • Workforce Wednesdays
